

Which Blender is Right for You?

Step-Up Features:

Timer with Auto Shutoff stops under- and over-blending problems and lets operators multi-task while the blender is on.

Cycle Blending takes the guesswork out of popular drink profiles. Each cycle contains pre-programmed pulses & speeds that maximize results & minimize mistakes.

Memory Card remembers a company's unique drink profiles for consistent blending results every time.

Jar Pad Sensor helps prevent "wear and tear" from operator misuse. It turns the motor off when the container is not in place to reduce careless clutch grinding.

Wave-Action® System has a unique container and blade design for smooth results with no ice chunks.

Hopper Lid Sensor prevents the machine from operating when the lid is removed.

Drain Sensor automatically notifies the operator if the drain is locked up.

Quiet Shield™ sound enclosure reduces blender noise.

Auto Blend "One Touch Sensor Blending" continuously monitors blender's power usage and speed to determine when the perfect drink consistency is reached.

Cavitation Control detects when cavitation occurs and alerts the operator.

Express Care Warranty

During the product warranty dial 1-866-285-1087 toll free to speak to a member of our highly trained technical staff. If minimal on-site maintenance cannot be performed, we'll ship a replacement product to your location. Continental US, Alaska and Hawaii only. Limitations and exclusions apply. See back cover or Operations Manual for details.

Follow these three easy steps for quick, convenient and dependable Express Care repairs:

Step One: Dial 1-866-285-1087 toll-free to speak to a member of our highly trained technical service staff (hours Monday - Friday 8:00 AM - 5:00 PM EST). We will make an initial phone diagnosis.

Step Two: If it is determined that minimal on-site maintenance cannot be performed, Hamilton Beach Commercial will ship a replacement product to your location.

Step Three: Once the replacement unit is received, you send the troubled unit back to Hamilton Beach Commercial (we'll provide the box and supporting materials to return the unit). Hamilton Beach Commercial will pay the freight cost for the returned unit.

*Hamilton Beach Commercial understands that your foodservice equipment is a crucial element in the profitability of your business. If your equipment breaks down, you would like repair that's quick, convenient and dependable. That's why we provide the Express Care Warranty program for products still covered under Product Warranty. You'll find that it's better for your bottom line **and** your peace of mind.*

NOTE: The warranty of the replacement unit will be prorated based on the time period remaining on the replaced unit. Limitations and exclusions apply. See Operations Manual for complete details.

** Available only to end users located in the continental U.S., Alaska and Hawaii.*
