TERMS & CONDITIONS

PRODUCT WARRANTY

Crown Verity Inc. to the original user, warrants their products to be free of electrical and mechanical defects in material and workmanship under normal use for one (1) year from the date of purchase (excluding patio heaters which are 120 days parts only). If Crown Verity Inc. determines a product to be defective, repair or replacement will be at Crown Verity Inc.'s discretion. This warranty does not cover damages caused by accident, misuse, negligence, current or voltage other than stated on the appliance, fire, flood or other casualty. Any alteration to the appliance or unauthorized repair voids this warranty.

Seller shall be responsible only for repair or replacement of defective parts performed by Seller's authorized service personnel. Authorized service agencies are located in principal cities throughout the contiguous Canada and United States.

The foregoing warranty is exclusive and in lieu of all other warranties, expressed or implied. There are no implied warranties of merchantability or of fitness for a particular purpose. The foregoing shall be Seller's sole and exclusive obligation and Buyer's sole and exclusive remedy for any action including breach of contract or negligence. In no event shall Seller be liable for a sum in excess of the purchase price of the item. Seller shall not be liable for any prospective or lost profits of Buyer.

PRODUCT SERVICE

Crown Verity Inc. has a staffed service department and we believe prompt service is extremely important to our customers. Therefore, we request all product service inquiries be handled in the following manner:

- (1) The end user should call the dealer where the equipment was purchased.
- (2) The dealer should collect the following information: end user's name, address, phone number, model number, serial number (if applicable), Sales Order or Purchase Order Number and the nature of the problem.
- (3) The dealer should then call the Crown Verity Inc. Customer Service Department at 519-751-1800.
- (4) The Crown Verity Inc. Customer Service Department will decide on the most appropriate course of action.

D.O.A.

Any unit that arrives to a customer and is "dead on arrival", with no apparent damage, please call our factory immediately.

RETURN GOODS

No goods may be returned without a pre-numbered return authorization form. This form must be completed in its entirety, including the invoice number(s) on which the product was originally shipped, the model and serial number, and must accompany the box of goods returned to us or the package will be refused. All authorized returns must be shipped with charges prepaid and a 25% restocking charge will be applied.

All merchandise returned for credit must be in original manufacturers packaging and in new condition. All requests for credit must be made within 90 days of receipt of shipment.

TERMS AND CONDITIONS OF SALE

- This Price List supersedes all previous price lists.
- Terms are Net 30 days, with approved credit, COD, or CIA.
- Buyer shall pay all applicable federal, provincial, state, municipal sales or use tax.
- No merchandise shall be returned without prior written authorization.
- All returned merchandise must be in original carton and shipped prepaid.
- All returned merchandise is subject to a 25% restocking charge, unless exchanged for goods of equal or greater value.
- No returns will be accepted after 90 days of shipping date.
- Purchaser should make claim directly to carrier for any damages to merchandise that occur in transit.
- Minimum order charge \$30.00.
- Prices subject to change without notification.
- No claims for shortage will be allowed unless made within three (3) days after receipt of goods.
- FOB : Brantford, Ontario, Canada

DAMAGE & FREIGHT CLAIMS

All shipments must be inspected immediately upon receipt. Our responsibility terminates when an order is signed for, and picked up by a carrier. Responsibility for an order's safe delivery is assumed by the carrier upon acceptance of the shipment. In the case of a shipment arriving damaged, a phone and written request should be made immediately for inspection by the carrier's local agent. The local agent will leave a copy of his damage form. Claims must be filed immediately against the carrier.

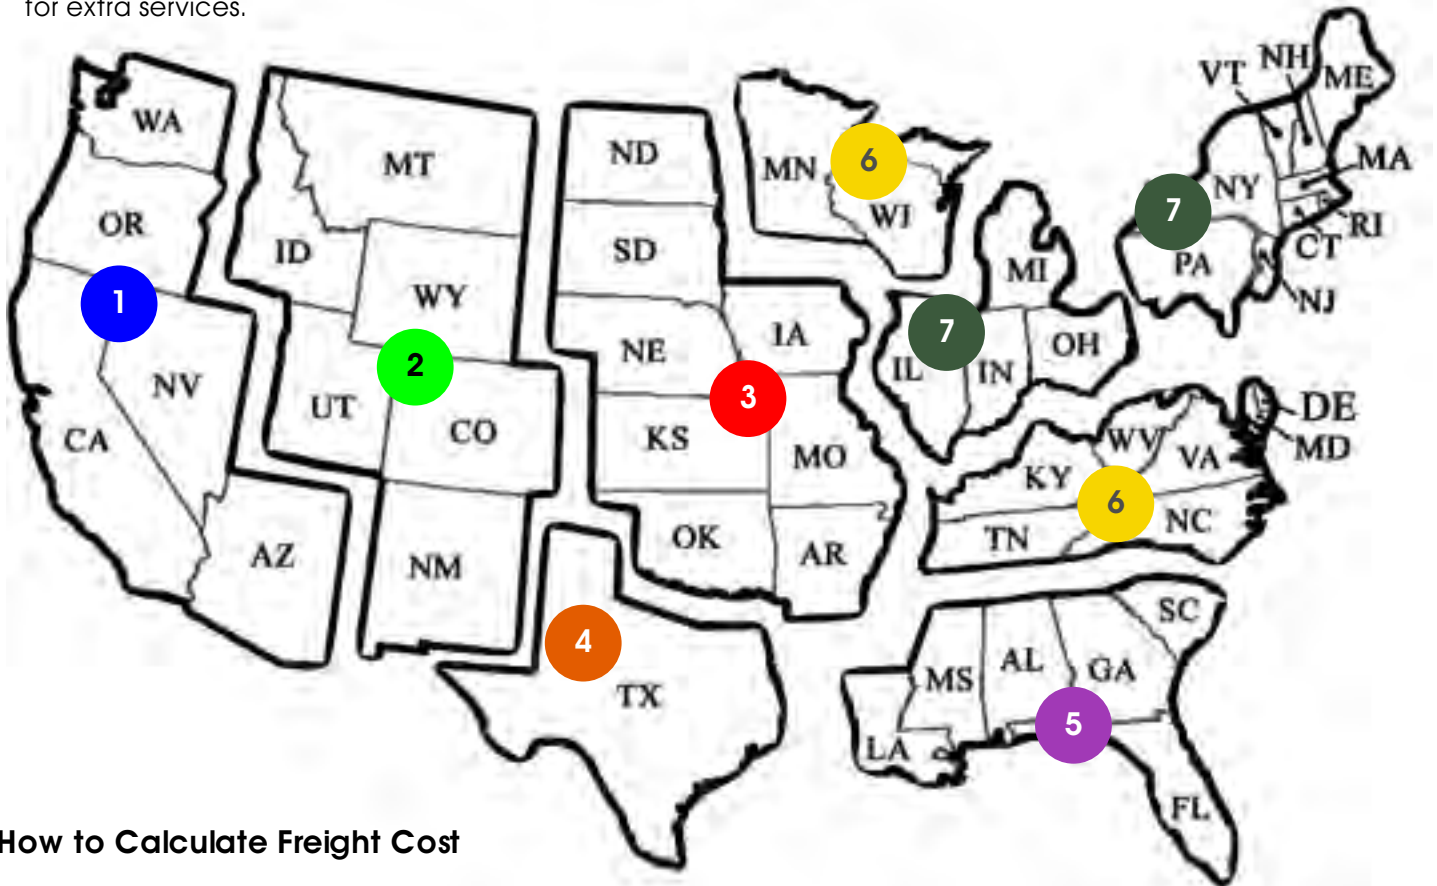

In the event that the damage form will not allow a claim against the carrier, the refused claim and damage form should be forwarded to Crown Verity Inc.

Freight program only applies if:

1. All freight ships from Crown Verity Brantford, ON Canada.
2. Crown Verity chooses the freight carrier and transit time.
3. All freight is prepaid and charged to invoice.
4. Absolute minimum freight charge \$160.00.
5. **Program excludes: TG-1, TG-2 , TG-4.**
6. **Program excludes all carts, please call for quote.**
7. Freight is based on dock to dock delivery, see additional charges for extra services.

Prepaid freight on all orders of \$6000.00 net or more unless excluded. (see # 5 & 6)

How to Calculate Freight Cost

Locate shipment destination state to determine zone. (1 to 7)
 Divide ÷ total shipping weight by 100.
 Multiply by zone rate listed below.

| Weight in lbs. | Zone 1 | Zone 2 | Zone 3 | Zone 4 | Zone 5 | Zone 6 | Zone 7 |
|----------------|----------|---------|---------|---------|---------|---------|---------|
| 0 - 600 | \$106.00 | \$95.00 | \$91.00 | \$90.00 | \$90.00 | \$83.00 | \$66.00 |
| 601 - > | \$91.00 | \$83.00 | \$78.00 | \$80.00 | \$79.00 | \$78.00 | \$58.00 |

Example:
 Total weight of product being ordered = 270 lbs.
 Order is shipping to zone 6
 Calculate freight: $270 \div 100 = 2.7$ $2.7 \times \$79 = \213.30 (cost of freight)

Additional service charges

| | |
|---|----------|
| Call before delivery | \$20.00 |
| *Residential delivery | \$65.00 |
| (*lift gate not included in above) | |
| Re-delivery | \$75.00 |
| Lift gate delivery | \$130.00 |
| Construction site delivery | \$65.00 |

If shipping to Alaska or Hawaii please call for quote.

Contact your local restaurant equipment dealer or Crown Sales Representative for further assistance.

New Crown Verity *INSTA-HEAT* provides a very comfortable heat that will warm your patio area year-round. Enjoy outdoor entertaining on cool nights under the stars! The infrared lamp only heats people and objects and does not waste energy heating the air. The Insta-Heat uses a standard household electrical outlet making it portable and convenient.
